Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Artesia citywide Road Project in fiscal year 2024.

The entity to receive funding for this project is City of Artesia, located at 18747 Clarkdale Avenue Artesia, CA, 90701.

The funding would be used for reconstructing serious and failed streets, per the City's Pavement Management Plan.

The project is an appropriate use of taxpayer funds because the city will be able to address the conditions of the streets in need of repair to improve safety in the community. Per the City's Pavement Management Plan, it was determined that, in all, 30% of the City's population use the streets that are in the worse conditions. It is important for Artesia to invest in this project and improve the City's infrastructure, for the benefit of residents and those that travel through these streets.

The project has a Federal nexus because the funding provided is for purposes authorized by United States Code (U.S.C.) Title 23 which provides surface transportation block grants.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Michelle Steel
Member of Congress
